

O.L.F. Year For Catholic Devotions June 2011 - June 2012

July is dedicated to devotion to the Precious Blood of Jesus

Matthew 28:18. Then Jesus approached and said to them:" All power in heaven and on earth has been given to me. 19. Go, therefore, and make disciples of all nations [including the U.S.A.], baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, 20. teaching them to observe all that I have commanded you. And behold, I am with you always, until the end."

USCCB President Authorizes Gradual Introduction of Musical Settings of New Roman Missal Starting In September

Modification will help people learn new parts, ease implementation

BELLEVUE, Washington—Archbishop Gregory Aymond of New Orleans, chairman of the United States Conference of Catholic Bishops' (USCCB) Committee on Divine Worship, announced that diocesan bishops may permit the gradual introduction of the musical settings of the people's parts of the Mass from the new Roman Missal in September. Primarily this affects the the Gloria, the Holy, Holy, Holy and the Memorial Acclamations.

This variation to the implementation of the Roman Missal, Third Edition, set to take place all at once on November 27, was authorized by USCCB president, Archbishop Timothy Dolan of New York, and adopted by the committee to allow parish communities to learn the various parts of the new translation "in a timely fashion and an even pace."

The Committee on Divine Worship made the decision in response to requests from several bishops, echoed by the National Advisory Council. Some suggested that the various acclamations could be more effectively introduced throughout the fall, so that when the full Missal is implemented on the First Sunday of Advent, the congregation will have already become familiar with the prayers that are sung.

"I ask you to encourage this as a means of preparing our people and helping them embrace the new translation," Archbishop Gregory told the bishops. The announcement took place June 16, during the U.S. bishops Spring Assembly near Seattle.

A Special Note Concerning This Week's Eight Page Insert

Please leave it in the pew after this Mass (unless you plan on really studying it at home, bringing it back with you to Mass for the next several weeks.) It will be our study and practice guide. For the next several weeks the pastor (and may be the bishop now and then) will spend five to seven minutes before Mass going over the "talking parts" of the NEW Mass. Then, Maestro takes over in September working with the congregation(s) in the same time slot on learning the new Music (most of which is in English). **DON'T PANIC!** As you will see on page 4. **Almost all the priests prayers will have new words.** Such is not the case with the congregation. Actually, as you will see, you guys have it pretty easy.

If, during this transition period, we work together and pray for each other, come the First Sunday of Advent 2011(November 27) Our Lady of Fatima parish (in the Old Saint Leo's Church) will be fully and completely ready to worship as Christ wants the Church he founded to worship. (*Matt 16:18 "And so I say to you, you are Peter, and upon **this rock** I will build **my church**, and the gates of the netherworld shall not prevail against it. 19 I will give you the keys to the kingdom of heaven. **Whatever you bind** on earth shall be bound in heaven; and **whatever you loose** on earth shall be loosed in heaven."*)

Most shrinks will tell you that "change" is hard and painful. I'm out to prove them wrong. If we stick to doing God's Will as revealed by His Church, this change will be exciting and exhilarating.
